

UTeach STEM Educators Association

You are UTeach Nation usea.uteach.utexas.edu

You have been part of UTeach Nation since your very first UTeach course, and you remain part of UTeach Nation now that you've graduated.

- The UTeach STEM Educators Association is a network of universities, school districts, teachers, nonprofits, and businesses with the mission to prepare and support extraordinary STEM teachers.
- Since you're a USEA member, you can access all the benefits here. You are also eligible to win [USEA awards](#) and take on leadership positions such as serving on the [USEA Board](#).

UTeach Nation Virtual Network connect.uteach.utexas.edu

Join our [online community](#) for teaching support and camaraderie. Look out for an email invitation to the community in the coming weeks. Keep your member profile current to stay connected with UTeach alumni network member benefits.

Annual Summit and Conference institute.uteach.utexas.edu/conference

Alumni receive discounted registration for two large annual events. Both events bring all of UTeach Nation — UTeach program faculty, alumni, and current students — together to continue building and inspiring STEM education leaders, and that includes you.

- **Equity and Racial Justice in STEM Teacher Development Summit** (June 21, 2022)
- **UTeach STEM Educators Conference** (June 22–23, 2022)

Professional Development usea.uteach.utexas.edu

You can access [free professional development](#). Keep building on your UTeach education while networking with other members of UTeach Nation.
