

UTeach STEM Educators Association

Benefits for UTeach programs

Established UTeach programs—you are already a member of USEA.

Enhance your USEA membership and receive additional benefits.

ENGAGE FULLY WITH THE NATIONAL UTEACH COMMUNITY

Eligibility to participate in **collaborative fundraising initiatives**, including participating in the work of the USEA fundraising committee.

Discounted registration to attend the UTeach STEM Educators Conference.

Complimentary registration to attend **UTeach course workshops** (a value of at least **\$150**).

Eligibility to participate in the **USEA awards** for outstanding faculty, master teachers, and staff.

Receive all of these benefits for just \$3,000 per year.

ACCESS TO THE ALUMNI MANAGEMENT SYSTEM

\$4,400 value!

Access to a **robust database** with individual alumni records and a **range of reports and dashboards** to assist with state reporting requirements and funding applications.

For example, you can determine with the click of a button how many of your alumni are employed at Title I schools or teaching particular subjects. Download raw data and use it as you wish.

The service includes **one-on-one training and troubleshooting**, and you can request **custom fields and reports**.

EXCLUSIVE RESOURCES

Access to templates you can use to make brochures and flyers to promote your program, plus graphics (charts, graphs, etc.) and photos to make those materials shine.

Access to the UTeach Members Website—an easy-to-use interface, course updates, ways to share your program's innovations, and continually updated resources.

UTEACH BLENDED LEARNING PROFESSIONAL DEVELOPMENT INCREASES STUDENT LEARNING

FOUNDATIONS OF BLENDED LEARNING
This 30-day online course provides educators with a foundational understanding of blended learning and how to implement it in their classrooms. Additional resources are available. Student learning outcomes are assessed through a final exam and a capstone project.

ADVANCED BLENDED LEARNING
This 30-day online course provides educators with an advanced understanding of blended learning and how to implement it in their classrooms. Additional resources are available. Student learning outcomes are assessed through a final exam and a capstone project.

MAJORS OF UTEACH GRADUATES THROUGH 2014

UTEACH AUSTIN ACTIVE ENROLLMENT ACADEMIC YEARS 1997-1998 THROUGH 2014-2017

70 UTeach graduates per year → 150 UTeach teachers in schools → If each teacher influences just one more student per year to go into STEM, 150 more students will enter STEM fields annually.

+9 months additional schooling in Algebra I & Biology for Gifted students

+5 months additional schooling in Biology for Economically Disadvantaged and Hispanic students
